Hello,

The US EPA has prepared the following information resource:

EPA is committed to working closely with response agencies and state and local officials to ensure the safety of citizens, respond to concerns and to evaluate impact to water contaminated by the Gold King Mine Release. EPA is sharing information as quickly as possible with the public as experts work to evaluate any effects the spill may have on drinking water, public health, agriculture, fish and wildlife. Please see our website for the latest information: <http://www2.epa.gov/goldkingmine>  
Regular updates will be posted as they are available.  
EPA Hotline: 844-607-9700 (toll-free)

Comments:

As a tax payer who will be paying for this clean-up, I will be anxious to know who will be fired from the EPA responsible for this accident? Private companies are fined, put out of business and even jailed when accidents cause much less damage than what we are seeing here. Response requested.  
Thank you
